The Janzen's Pharmacy team is thrilled to open a new location at 129 Frederica Street West on Monday, November 1st. Our new store has the friendly service, convenience, cutting-edge technologies and the holistic approach that an expanding company such as Janzen's is so proud of.

We urge each and every one of you to drop by for our Grand Opening Celebration on Saturday, November 6th. Take part in the festivities throughout the day and enter our draw to win great prizes including two Apple iPads.

I'm delighted to lead Janzen's Pharmacy towards continued growth, as well as to intensify our efforts to help the people of Thunder Bay and the region to live better every day. Our driving force will remain our understanding of customer expectations in order to provide premium products, personalized care and relevant services.

We look forward to serving our customers from the heart of Westfort Village and at our original location at Bay & Algoma. Come see us soon!
